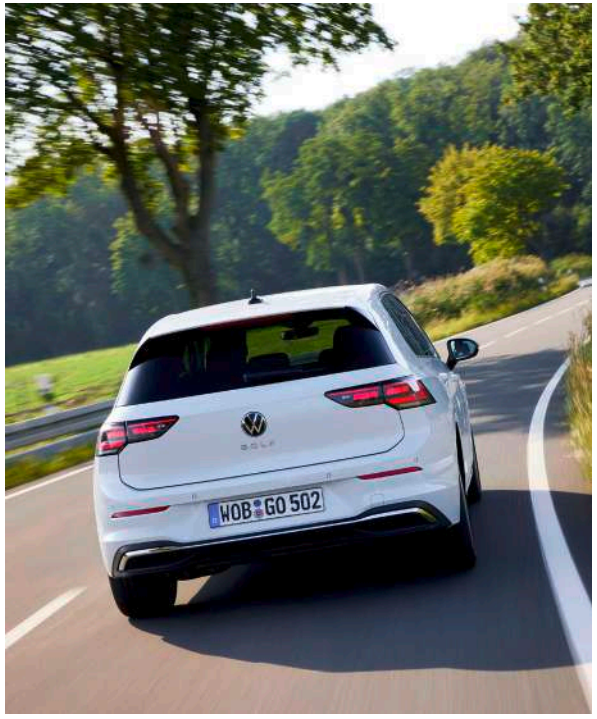
The new GOLF
Made by life. Made for life.

Signature **look**

Intuitively engineered, the iconic new Golf exudes attention-grabbing appeal, complemented by outstanding features and stunning looks. Combining smartness and style, it truly is in a class of its own– just like those who own it.



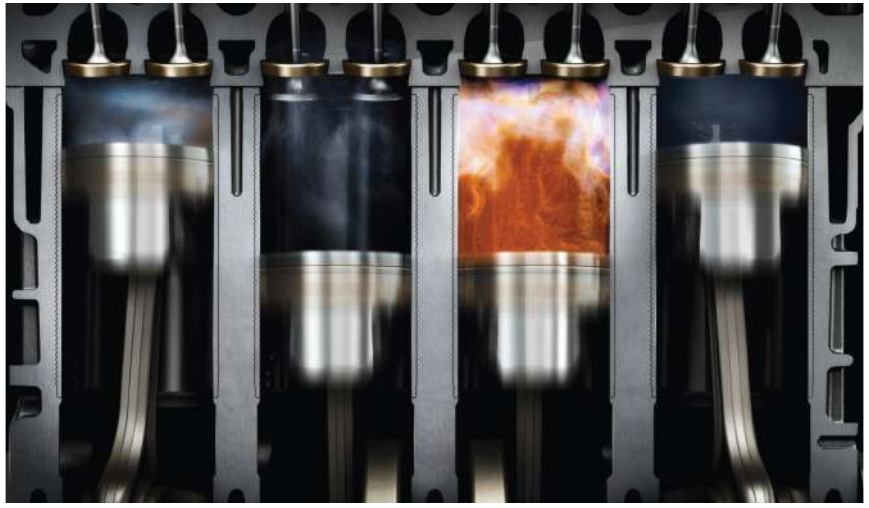
Interior **comfort**

The New Golf offers a choice of thoughtful features including electrically adjustable, foldable, and heated door mirrors, with memory feature and reverse activated kerb-view adjustment on passenger's side as well as 'Air Care Climatronic' automatic temperature control with allergen filter. Plus, enjoy added freedom that comes with the tilting and sliding panoramic sunroof with integrated roller blind. And for the ultimate in driving comfort, the ergoActive seats offer not only effortless electric adjustments but also a built-in massage function in the driver's seat, ensuring every drive is a luxurious experience.

Discover the New Golf – where thoughtful design meets unparalleled comfort.

Enhanced **safety**

Enjoy peace-of-mind with a host of features engineered to keep you safe. These comprise of an Advanced driver attention & drowsiness monitor, Hill start assist, Electromechanical brake booster along with driver and front passenger airbags. The passenger airbags also come equipped with a deactivation switch for added injury prevention. In addition, there are also front seats side impact airbags with central airbag between the driver and the passenger as well as Curtain airbags for front and rear passengers.



Unparalleled **Performance**

Beneath the hood, the powerful 1.4 Turbo TSI engine seamlessly blends a dynamic driving experience with uncompromised fuel efficiency thanks to its Active Cylinder Technology. And while its lowered suspension creates a smooth ride, its superb responsiveness, along with Sport Mode makes every drive even more exhilarating.

Intuitive **Experience**

Designed around you, the Golf offers intuitive driving with touch-activated controls. Access to the reading light, air-con, infotainment and even the sunroof, are all at tips of your fingers. Also take advantage of additional features for an exceptional drive including a Rain Sensor, Wireless Charging, Keyless Access, and Automatic Dimming Interior and Rear-view Mirror.

IQ **Light**

Illuminate your drive with the revolutionary IQ.Light in our Volkswagen cars! Featuring advanced LED technology, the IQ.Light system intelligently adapts to various driving conditions, ensuring optimal visibility at all times.

Experience unparalleled safety and comfort with the IQ.Light system. By providing precise and adaptive illumination, it enhances night driving, making it safer and more comfortable. The system also includes animated turn signals for added visibility and style. With IQ.Light, every journey is brilliantly lit, ensuring you see and are seen, no matter the conditions.

Upgrade to Volkswagen's IQ.Light – where innovation meets illumination.
