

THE NEW GLS SUV.

Mercedes-Benz

COMMITTED TO GREATNESS.

Flexible and spacious: as one of the largest SUVs from Mercedes-Benz, the GLS offers a compelling combination of spacious versatility and powerful performance. With the 9G-TRONIC automatic transmission included as standard and the AIRMATIC comfort suspension, you not only reach your destination safely – you also enjoy innovative and extravagant travelling comfort. The unmistakable AMG Line¹ ensures a sporty and dynamic appearance in any situation.

¹ Optionally selectable equipment depending on configuration.

NEW FRONT-END DESIGN.

The new GLS is an eye-catcher on four wheels: the redesigned front apron with distinctive, sporty air outlets and flared wings rounds off the expressive styling of AMG Line¹.

¹ Optionally selectable equipment depending on configuration.

MORE THAN JUST A HIGHLIGHT.

The light signature of the new rear lamps, with three horizontal blocks, underlines the serene, luxurious SUV character of the new GLS. The optional illuminated aluminium-look running boards emphasise the attention to detailed design and make your first step into the vehicle a special experience.

INNER GREATNESS IN EVERY DETAIL.

Focus on ride comfort: the two prominent grab handles in the raised centre console underline the off-road character of the new GLS. The high-quality multifunction steering wheel¹ ensure a comfortable driving experience.

¹ Optionally selectable equipment depending on configuration.

MORE SCOPE FOR SPACE.

Enjoy the benefits of a variable interior configuration. The GLS has a luggage capacity of up to 2400 litres. To utilise this to the full, the backrests of the second and third seat rows can be individually or jointly folded down at the touch of a button. The rear end can be conveniently lowered for easy loading. Thanks to the third seat row, you can share the special travelling experience with up to seven people.

Optimum comfort, also in the rear.

With the separately adjustable, individual comfort seats¹, every journey becomes a luxurious experience. The MBUX high-end rear entertainment system¹, offering as it does two touchscreens, provides numerous options for entertainment, information and communication.

¹ Optionally selectable equipment depending on configuration.

Travel in relaxed style and arrive well-rested: with the multicontour rear seats¹, passengers on the outer seats in the second row enjoy the same enhanced comfort as the driver and front passenger, thanks to four massage programs, each with two intensity levels and ten pressure points in the backrest. More legroom is provided in the second seat row, which can likewise be electrically adjusted with ease.

¹ Optionally selectable equipment depending on configuration.

Burmester® high-end 3D surround sound system.

With the 29 speakers and 1610 watts system output of the Burmester® high-end 3D surround sound system¹, you can enjoy a unique listening experience in the new GLS. Sophisticated vehicle noise compensation (VNC) dynamically adapts music and tones to your driving situation, while the set-up assistant uses an innovative algorithm to determine your musical preferences and adjust the Burmester® sound system to suit your wishes.

¹ Optionally selectable equipment depending on configuration.

MBUX (Mercedes-Benz User Experience).

With the latest generation of MBUX telematics, both the hardware and software of the infotainment system in the GLS have made a major leap into the future. Alongside even more computing power and improved speech recognition, the arrangement and look of the applications are even better configured for your needs.

22-inch light-alloy wheels.

Wherever your journey takes you, the up to 22-inch light-alloy wheels¹ of the GLS are both eye-catching and elegant. The high-sheen AMG light-alloy wheels shown here are a particular four-fold design highlight that will impress on every journey.

¹ Optionally selectable equipment depending on configuration.

Air vents with chrome louvres.

High-quality accessories: the newly designed air vents give the GLS even more elegant flair. The chrome louvres blend perfectly into the stylish design of the interior.

Panoramic sliding sunroof.

Whether open or closed: with the panoramic sliding sunroof¹, you experience an exhilarating feeling of freedom and enjoy a pleasantly bright ambience in the interior. When viewed from the outside too, the large sliding sunroof makes a superb visual impression, as it lends lightness and exclusivity to the exterior.

¹ Optionally selectable equipment depending on configuration.

Acoustic Comfort Package.

Enjoy an exceptionally low level of noise while on the move. The sound insulation of the Acoustic Comfort Package¹ significantly reduces exterior noise. There is therefore nothing to disturb relaxed conversations, even when driving at high speeds. The quiet atmosphere also promotes concentration, enabling you to arrive at your destination in a relaxed state.

AMG Line.

The Progressive equipment line lets you add specific highlights both inside and outside your GLS. The visible exhaust tailpipes in chrome underscore the dynamic credentials of the Sports Tourer. In the interior, you have a wider choice of colours and materials for the seat covers.

EXTERIOR HIGHLIGHTS

- Radiator grille with Mercedes-Benz pattern in high-gloss black, central Mercedes star and single louvre in matt grey
- Visible exhaust tailpipes and rear apron with chrome trim
- 22-inch AMG multi-spoke light-alloy wheels, aerodynamically optimised and painted in black with a high-sheen finish

INTERIOR HIGHLIGHTS

- Comfort seats upholstered in leather in black or leather in beige or leather bahia brown
- Multifunction sports steering wheel in leather including touch control panels on left and right
- Anthracite open-pore oak wood trim elements
- Roof liner in black fabric

Night Package.

Demonstrate that you value sportiness. The distinctive AMG Bodystyling is inspired by the expressive design idiom of Mercedes-AMG. Further elements in the interior, such as the sports seats and the multifunction steering wheel in nappa leather, reinforce this overall impression. The sporty engine sound makes for even more driving pleasure.

EXTERIOR HIGHLIGHTS

- AMG Bodystyling comprising AMG front apron with front splitter in matt iridium silver, AMG side sill panels in the vehicle colour and AMG rear apron with visible tailpipes and chrome trim
- Radiator grille with Mercedes-Benz pattern in chrome and central Mercedes star, single louvre in matt iridium silver
