

LYNK & CO O2

PREMIUM
SPORTY E-SUV

FEEL ELECTRIC

Spacious Comfort

Driving Space Redefined

The flat-bottom steering wheel design enhances both the driving experience and aesthetics while increasing legroom by 40%.

Large Central Screen Display

15.4" center display boasts a 2.5K resolution. Give you more immersive driving experience with turn-by-turn information, points of interest and directional switches (Interactive Experience).

Load up

The 02 is surprisingly strong and roomy for an urban crossover coupé. It has a towing capacity of 1,600 kg, a dock box, and up to 440-liter trunk space.

Infinity Light

Infinity Light evolves from a concept that creates the link between the digital and the physical world. It brings rhythm and pulse into the cabin, following the music or colors on the screen.

Comprehensive Safety

Active Safety

16 Core ADAS Features: Equipped with intelligent sensors, including wave radars, ultrasonic radars and 360 cameras, the vehicle provides comprehensive awareness of road conditions. This enables L2-level advanced driver assistance, serving as a reliable aid for drivers while actively mitigating unforeseen risks.

Environmental Safety

- **Air Filter:** The vehicle is equipped with CN95 air filters that eliminate odors and kill bacteria, ensuring fresh air even on dusty days.
- **Air Quality Monitoring System (AQS):** Automatically adjusts the interior air quality, maintaining a green oasis inside the vehicle.
- **Adjustable Microclimate:** Fully adjustable Air Quality control system, remote preconditioning, CN95 air filters to remove air pollution, allergens and viruses.

Seamless Design

A red Lynk & Co. car is shown from a front-three-quarter view. Two callout boxes with blue borders and lines pointing to specific features are overlaid on the image. The first callout points to the front headlight area, and the second points to the rear of the car, specifically the illuminated spoiler. The car is parked on a grey surface in front of a building with large windows.

DYNAMIC DAY RAYS Daytime Running Light

The signature daytime running lights of Lynk & Co. Designed for safety and a striking road presence, they ensure you stand out—day or night!

MEGACITY HORIZON Illuminated Rear Spoiler

15.4" center display boasts a 2.5K resolution. Give you more immersive driving experience with turn-by-turn information, points of interest and directional switches (Interactive Experience).

Boundless Connectivity

The all-new Lynk & Co 02 is designed with user-centric features that prioritize advanced technology, personal comfort.

Dual wireless phone chargers, and smart storage solutions, catering directly to modern needs.

| Personalize

Celebrate your uniqueness by tailoring your 02. Change the ambient light to fit your mood and customize the sound of the additional horn to say whatever you like. Pro tip: Keep it friendly!
