DYNAMIC POWER & FAST CHARGING

The Riddara RD6 features a robust battery offering sustainable driving, impressive range, and consistent power for urban and off-road use. With an Intelligent Discharge system and fast DC charging, it ensures reliable electric functions anytime, anywhere, setting it apart in its class.

ADVANCED SUSPENSION & EFFORTLESS HANDLING

The Riddara RD6 Pro 2WD features MacPherson independent front suspension and multi-link rear suspension, offering a smooth ride. With a low center of gravity, 225 mm ground clearance, and 5.26-meter length, it excels in maneuverability and adapts to various conditions.

ELECTRIFY YOUR JOURNEY AHEAD

Experience efficient, powerful electricity with intelligent control for a seamless and worry-free future
