

06 BOOST YOUR ZEST
EDGY SPORTY SUV

Edgy Design

"Mega-city Contrast" allows the Lynk & Co 06 to evolve from global urban inspirations in a younger shape.

Urban Skyline Front Grille
Inspired by the dynamic architecture of city skylines, the front grille of the Lynk & Co 06 captures the vibrancy of urban life, offering a sharp and contemporary aesthetic that turns heads at every corner.

Luminescent C-pillar
The C-pillar design features segmented lines that play with light and shadow, creating a stunning visual effect reminiscent of city lights reflecting on sleek surfaces.

Energy Cube Taillight
Cultivated by the mesmerizing reflections of city lights dancing on water, this design encapsulates boundless vitality and brilliance. Uniquely recognized among other vehicles, it radiates energy and style.

Z-shaped Waistline
Influenced by the sharp angles and fluid contours of a bustling mega-city, the dynamic interplay of light and shadow creates modern and edgy aesthetic.

Vitality Club Cockpit
The center design seamlessly integrates functionality, intelligence, and spaciousness, creating an environment that enhances every urban journey with unparalleled vitality.

Sporty Integrated Seat
Experience the thrill of speed and sportiness with leather seat, featuring electrically adjustable 4-way adjustment and 4-way lumbar support, and the passenger seat offers 4-way power adjustment, ensuring both driver and passenger enjoy comfort.
These high-quality seats provide excellent support, enhancing your driving experience with a touch of elegance and exclusivity.

Midnight Neon Ambient Light
With 71 customizable colors, the ambient lighting system adapts to your driving mode and speed, creating atmosphere that matches your mood.

Dynamic Performance

Superior power and European originated handling, offering sheer pleasure in driving.

8 Plus 1.5TD Engine
Maximum power 178Ph
Maximum torque 290N·m
WLTC combined fuel consumption 6.4L/100Km

Bosch ESP 9.3
The latest generation of Bosch's ESP 9.3 ensures a braking distance of just 36.2 meters at 100 kilometers per hour, providing superior safety and stability.

7DCT Wet Dual Clutch Transmission
97% Gearing efficiency
0.2s Gear change time

Multiple Driving Modes
Choose from Economy, Comfort, Sport, and Intelligent modes. The intelligent mode dynamically adjusts based on your driving style and conditions.

European-Originated Handling
The advanced chassis structure of the Lynk & Co 06, featuring a unique four-wheel independent suspension system with front MacPherson and rear multi-link axle, enhances smoothness, agility, and maneuverability. This superior engineering ensures unparalleled control and outstanding driving experience in its R segment SUV class.

Comprehensive Protection

A high standard of safety system provides protection in multiple aspects for the Lynk & Co 06.

High Strength Body Structure
A rigid safety body with multiple patented safety designs, utilizing high-strength steel up to 1600Mpa, provides robust protection for all occupants.

Dual Energy Absorption Box +
Enhanced collision absorption capacity ensures greater safety during impacts.

Air Filter System
Actively purify cabin with AQS air quality management system to ensure the healthy air environment in cabin.

Eco-friendly Cockpit
Using non-toxic, environmentally friendly materials, the interior is designed to be free of harmful emissions, safeguarding passengers from invisible dangers.

Cozy Area

A variety of area fulfill the needs of mobility Requirement.

Spacious Second Row
The spacious rear seating space and flat floor combine to deliver ample room for occupants, accommodating various seating positions and reclining needs.

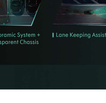

Extra Charging Ports
Stay powered with 7 charging ports, including two Type-A, 12V, and wireless charging, ensuring all your devices are always charged.

Various Storage
Six storage spaces provide solutions for different needs.

Power Tailgate
Effortlessly open and close the tailgate, making loading and unloading cargo a breeze.

Entertainment

12.3-inch High-Definition Screen
Experience vibrant and accurate colors with a wide color gamut display, enhancing your entertainment experience.

ECI High-Performance Chip
Enjoy swift response times of less than 0.3 seconds, making the infotainment system or intuitive and fast as your smartphone.

Intelligent Driver Assistance

Lynk & Co 06 equips up to 17 intelligent driver assistance systems.

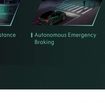

Adaptive Cruise Control with Queuing Assistance

360° Panoramic System + 180° Transparent Chassis

Lane Keeping Assistance

Autonomous Emergency Braking

Door Opening Warning
