CUPRA

THERE ARE MOMENTS WHEN WE MIGHT CONSIDER THAT BEING SECOND IS ACCEPTABLE BECAUSE THE PATH OF LEAST RESISTANCE CAN SEEM SO INVITING. IN THE HAZE OF UNCERTAINTY, IT CAN FEEL LIKE A SAFE HARBOUR, A PLACE WHERE THE STAKES ARE LOWER AND THE PRESSURE EASES. BUT DEEP DOWN, NO MATTER HOW HARD WE TRY TO SETTLE FOR THAT, WE SIMPLY CAN'T.

WE ARE TOO OBSESSED WITH WINNING.

WE ARE DRIVEN BY AN ENDURING PASSION THAT FUELS EVERY MOVE, EVERY DECISION. IT COURSES THROUGH OUR VEINS LIKE AN UNSTOPPABLE CURRENT. IT'S A FERVOUR THAT REFUSES TO BE EXTINGUISHED. AND AT THIS POINT, WE WOULDN'T CHOOSE ANY OTHER WAY.

WE WILL CONTINUE BREAKING BOUNDARIES, DEFYING LIMITS, AND CHALLENGING THE CHALLENGER BECAUSE WE KNOW THAT SECOND PLACE IS NOT EVEN AN OPTION.

THIS IS OUR CURSE.

THIS IS THE PRICE WE HAVE TO PAY.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

DESIGN

The beauty of winning isn't about crossing the finish line first. It's not about the trophy or the medal. The real beauty of winning begins every morning when your alarm goes off. It's in those 15 extra minutes of sleep you're tempted to take but resist. It's when you're running on empty, yet you push through those last 10 miles.

In those moments of overwhelming challenge, the beauty of winning is born: through your determination, conviction, ambition, passion, and an unrelenting drive to be the best.

That's the beauty of winning. Being first is just a label.

We are more than that.

POWER

A new form of power is set free. From calm to ferocious, the Terramar transforms power into unforgettable journeys. The aerodynamic design cuts through the air, adding speed and stability. Inside, the cockpit is a command centre for innovation and technology. The suspension delivers a sporty response, while the brakes provide precise control. Every component, from the wheels to the digital display, embody this relentless energy.

This power became the essence of Terramar, making it a symbol of victory.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

INNOVATION

The spirit of innovation was forged in times when ideas were scarce and resources limited. We committed to never settle, letting our creativity lead the way. We embraced groundbreaking solutions, turning challenges into triumphs.

Innovation wasn't merely a choice; it was crucial. This relentless pursuit of excellence led us to the CUPRA Terramar, a vehicle that sets new standards and redefines expectations.

We believe that true greatness is achieved not by following, but by leading with ingenuity and vision. This is the spirit of innovation. This is CUPRA.

ENVIRONMENTAL INFORMATION

LIGHTING: HEADLAMPS ECOLED

Headlamps and rear lamps are 100% LED, increasing life service by up to 10 times. For headlamps, power consumption is significantly reduced at least 30%, and the luminous flux effectiveness is increased at least 30% in comparison to a halogen lamp.

RECYCLED MATERIALS

Seat Deep Ocean configuration:
Its seat central areas contain 100% upcycled SEAQUAL® YARN material.

Seat Moon Light configuration:
Its seat central area contains microfiber Dinamica® with 73% of recycled polyester (pre-consumer and post-consumer origin).

ENGINES

e-HYBRID: The all-electric motor in the e-HYBRID engine enables zero tailpipe emissions driving in electric mode.

ZERO EMISSIONS

An indicator that shows the distance driver with zero tailpipe emissions using electric-only mode.

E-RANGE MONITOR

Informs the driver of the increase in range of electric-only engine when combustion-only is off.

GEOFENCING

This technology guarantees an automatic switch to 100% electric driving (when battery is charged), by detecting the entry of the vehicle into low-emission urban areas. This means zero-tailpipe driving, which contributes to improving air quality in cities and protecting public health.

SEAT S.A.'s environmental mission.
Protect Climate. Conserve Resources. Preserve Ecosystems. Ensure Environmental Compliance.
